PRESS RELEASE

UBB Condemns Reckless and False Allegations Against Dr. Mahamudu Bawumia and NPP Leadership

United Belgium for Bawumia (UBB) has taken note of a video interview circulated on Saturday, 18 January 2026, by *We Are For Ken TV*, a YouTube channel openly campaigning for the candidacy of Hon. Kennedy Agyapong. In the said interview, one Mr. Kwabena Adjei Nkansah, who falsely introduced himself as a member of the Council of Elders of the NPP Belgium Branch, made a series of reckless, defamatory, and wholly unsubstantiated allegations against senior members of the New Patriotic Party (NPP).

Among others, Mr. Nkansah made unsubstantiated accusations against Hon. Hackman Owusu-Agyemang, Mr. John Boadu, and Mr. Bernard Antwi Boasiako. Most gravely, he alleged, without a shred of evidence that H.E. Mahamudu Bawumia and his wife are corrupt and stole public funds to build private properties. He further accused H.E. Nana Addo Dankwa Akufo-Addo and Dr. Bawumia of neglecting the five northern regions during their time in government.

UBB categorically states that these allegations are false, malicious, and defamatory. **We therefore demand an unqualified public apology from Mr. Kwabena Adjei Nkansah to Dr. Mahamudu Bawumia**, using the same medium through which these insults were made. Failure to do so will compel UBB to pursue all available legal remedies without further notice.

Mr. Nkansah further claimed that the majority of NPP delegates in Belgium oppose the candidacy of Dr. Mahamudu Bawumia. This assertion is a blatant falsehood. At the official launch of United Belgium for Bawumia on 13 December 2025 marking the commencement of the Dr. Bawumia campaign in Belgium, 22 out of 30 accredited delegates publicly pledged their support for his candidacy. Seventeen (17) of these delegates were physically present at the launch. The position of Belgium delegates is therefore clear and unequivocal: **Belgium stands firmly with Dr. Mahamudu Bawumia.**

Additionally, Mr. Nkansah alleged, without evidence, that officials at the party headquarters rigged the previous presidential primaries in favour of Dr. Bawumia. Even more alarmingly, he issued threats of mayhem and bloodshed should similar actions occur in the January 31 primaries. UBB unequivocally condemns such reckless rhetoric. We express our full confidence in the competence, integrity, and professionalism of the Presidential Primaries Committee to conduct a free, fair, and transparent internal election. **We are confident that Dr. Mahamudu Bawumia will emerge victorious on merit, without incident.**

UBB therefore issues a stern warning to any individuals or groups contemplating violence or disruption under the pretext of electoral grievances to desist immediately. Any attempt to undermine the peace and integrity of the primaries will be firmly resisted and appropriately addressed.

For the avoidance of doubt, **UBB wishes to place on record that Mr. Kwabena Adjei Nkansah is not a member of the Council of Elders of the NPP Belgium Branch.** Owing to his persistent misconduct and insulting behaviour, conduct unbecoming of the party's values, he was indefinitely suspended on 15 September 2025, a decision formally communicated to him in writing. Furthermore, in the interest of party unity and discipline, a general meeting of the NPP Belgium Branch held in Gent on Saturday, 25 October 2025, overwhelmingly resolved to remove Mr. Nkansah from all official party communication platforms, including the Belgium Branch WhatsApp platform. His continued misrepresentation of his status is therefore deliberate and misleading.

In the spirit of unity and cohesion, UBB urges all party members to exercise restraint and responsibility when engaging with the media. While the NPP remains a democratic party that respects internal contestation, campaigning must be anchored in truth, respect, and loyalty to the collective interest of the party. This is an internal election, and after 31 January, the party will require the commitment and support of every member to secure victory in the national elections. We must therefore guard against conduct that burns bridges and weakens party solidarity.

United Belgium for Bawumia (UBB).
