STATEMENT OF CLAIM ORDDER 11 RULE 1 OF CI 47

- 1) The Plaintiff is a member of the academic and administrative community of Gimpa
- 2) The 1st Defendant is the Chairman of the Governing Council of the Ghana Institute of Management and Public Administration (GIMPA), established under the Ghana Institute of Management and Public Administration Act, 2004 (Act 676) as the governing body of the Institute.
- 3) The 2nd Defendant is the Secretary of a Public Tertiary Institution established under Act 676, of the Republic of Ghana with the capacity to sue and be sued.
- 4) The Plaintiff says that the tenure of the current Rector is nearing expiration, and the 1st Defendant has initiated steps to set up a Search Committee to find a replacement. **Attached herewith and marked as Exhibit A is a copy of the notice to convene convocation**
- 5) The Plaintiff avers that the council has released convocation register for election which reveals that there are approximately 30 new additional people whose employment or promotional appointment have neither been vetted or formally approved by the governing council, nor communicated to the wider Gimpa community. **Attached herewith and marked as exhibit B is a copy of convocation register.**
- 6) The Plaintiff says that upon seeing the notice to convene convocation filed petition dated 2nd October 2026 to 1st Defendant spelling out critical irregularities that were committed and required resolution to ensure a free and fair process. **Attached herewith and marked as exhibit C is a copy of the Petition.**
- 7) The Plaintiff further states that these persons listed as active members with full voting rights for the upcoming convocation on 6th October 2026 will compromise the legality of the elections and produce a biased search committee. **Attached herewith and marked as exhibit D is a copy of the New Faculty Appointment.**
- 8) The Plaintiff avers further that permitting the unapproved persons to vote on a core statutory matter will create an untenable loophole that will compromise the authenticity of a voter roll in Gimpa community.
- 9) The Plaintiff says that all individuals' whose appointments elapsed prior to the cut-off date, August 31st, 2026, should be removed.
- 10) Upon being notified of the irregularities, the 1st Defendant failed to take any action but has been busy carrying out steps calculated at completing the selection of the intended search committee.

11) The Plaintiff states that there is a deliberate attempt by the Rector to influence the composition, and mandate of the intended Search Committee and render it non-objective in its duty.

7) The Plaintiff avers that convocation meeting should be put on hold, if audit cannot be completed, vetted, and published ahead of the scheduled date 6th October 2026

9) If the Defendants are not restrained and proceed to appoint the Search Committee, they will present a committee that will be unfit to carry out its duty.

11) Unless compelled by this Honourable Court the Defendant has evinced a clear intention to compromise the authenticity of the elections.

12) WHEREFORE, the Plaintiff claims against the Defendants.

1) Upon a true and proper interpretation of Statute 12(a) of Gimpa (2020), the Governing Council is the only body clothed with the authority to appoint a new Rector for and on behalf of the institution.

2) That upon a true and proper interpretation of Statute 12.4 (a) of Gimpa (2020), the 1st Defendant's only duty in the appointment of a Rector is to commence the processes for the purposes of the appointment.

3) That upon a true and proper interpretation of Statute 12.4(b) of Gimpa, (2020), the 1st Defendant shall provide guidelines leading to the processes for the appointment of the Rector.

4) That upon a true and proper interpretation of Statute 12.4(c)(ii) of GIMPA, (2020), three (3) Senior Members shall elected by Convocation representing the Professorial class, non-professorial Faculty, and Senior Administrators

5) That by the spirit of the Statute GIMPA, (2020), the election of the three (3) Senior members representatives on the Search Committee shall be free and fair without any interference.

6) That the Governing Council has allowed the Rector to offer 30 new appointment letters to 30 new lecturers and has collected their proxies to influence the outcome of the election by the Convocation.

7) That the independence of the finally elected representatives by the Convocation cannot be guaranteed.
